NovaCart Account and Login Help

How to reset your password

If you forgot your password or cannot log in:

1. Go to the NovaCart login page and click Forgot password.
2. Enter the email address used to register your account.
3. Open the reset email we send you. The link expires after 30 minutes.
4. Click the link and choose a new password with at least 10 characters, including a number and a symbol.
5. Sign in with the new password.

Reset email did not arrive

- Check the spam and promotions folders.
- Wait 5 minutes; delivery is sometimes delayed.
- Make sure you used the same email address you registered with.
- You can request up to 3 reset emails per hour. If none arrive, contact support to verify your account.

Locked account

After 5 failed login attempts the account is locked for 15 minutes for your protection. Wait 15 minutes and try again, or reset your password to unlock it immediately.

Two-factor authentication problems

If you lost access to your authenticator app, sign in with one of your 10 backup codes. If you have no backup codes, support can disable two-factor after verifying your identity with your order history.

Updating your email address or name

Sign in, open Account settings and choose Profile. A confirmation link is sent to the new email address before the change takes effect.

Deleting your account

Open Account settings, choose Privacy and click Delete account. Deletion is permanent and completes within 30 days. Order records required for tax purposes are kept for 7 years.
