NovaCart Product FAQ

Warranty

Electronics and small appliances carry a 12-month limited warranty from the delivery date. The warranty covers manufacturing defects such as a motor failure, a faulty blade assembly or a dead battery. It does not cover damage from misuse, drops, liquid damage (except for products rated waterproof) or normal wear.

Blenders and kitchen appliances

NovaCart blenders include a 12-month warranty covering the motor base and blade assembly. If your blender is broken, cracked or not working on arrival, it counts as a defective item:

1. Open My Orders and select the blender order.
2. Click Report a problem and upload a photo or short video showing the fault.
3. Choose a free replacement or a full refund. Replacements ship within 2 business days of approval.

Jars and lids are covered for 30 days against cracks that were present on arrival. Please do not use a blender that is cracked or leaking.

Product sizing

Our size guide is on every product page. For shoes and clothing, if the size is wrong you can exchange it within 30 days of delivery; see the Refund Policy for the return steps.

Batteries and chargers

Rechargeable batteries are covered for 12 months and must retain at least 80 percent of their original capacity. Use only the charger supplied with the product.

Out of stock items

Click Notify me on the product page and we email you when the item is back in stock. We do not take back-orders.

Product care

Wash garments cold with similar colours. Hand-wash kitchen appliance jars unless the product page says dishwasher safe.
