NovaCart Refund and Return Policy

Return window

Most items can be returned within 30 days of the delivery date for a full refund. The item must be unused, in its original packaging and have all tags attached. Shoes must be returned unworn, with the original box.

How to return an item and get a refund

1. Sign in and open My Orders.
2. Select the order and click Return item, then choose the reason for the return.
3. Print the prepaid return label (or choose a drop-off code if you have no printer).
4. Pack the item securely in its original packaging and hand it to the carrier within 7 days of requesting the label.
5. We refund you after our warehouse receives and inspects the item.

Return shipping is free for defective, damaged or wrong items. For any other reason a flat $4.99 return shipping fee is deducted from the refund.

Refund timelines

- Refunds are issued to the original payment method within 5-7 business days after the warehouse receives the return.
- Your bank may take a further 2-3 business days to show the credit.
- Store credit is available as an alternative and is added instantly once the return is received.

Damaged or defective items

If an item arrives damaged, broken or defective, report it within 7 days of delivery. Send a clear photo of the item and the packaging through My Orders or to support@novacart.example. You can then choose either:

- a free replacement, shipped within 2 business days of approval, or
- a full refund including the original shipping cost.

No return shipping fee applies. For some large items we may ask you to dispose of the product instead of returning it.

Items that cannot be returned

- Final-sale items marked "Final sale" at checkout.
- Opened hygiene products such as earphones, razors and underwear.
- Perishable goods.
- Items returned after 30 days, unless covered by the warranty in the Product FAQ.

Exchanges

For a different size or colour, return the original item and place a new order. We recommend ordering the replacement straight away so it is not sold out.

Late order refunds

If an order is lost in transit, you can have a full refund without returning anything. See the Shipping Policy for the late-order process.
