Tracking your order

A confirmation email with a tracking number is sent within 24 hours of dispatch. To see where your order is, open My Orders on novacart.example, select the order and click Track Order. Tracking can take up to 12 hours to show the first carrier scan.

Late or delayed orders

If your order has not arrived by the estimated delivery date, first check the tracking page for the latest status. Carrier delays are common during holiday periods.

- If the order is up to 3 business days past the estimated delivery date, please wait; most delayed parcels arrive within this window.
- If the order is more than 3 business days late, contact support with your order ID and we will open a carrier investigation, which takes up to 5 business days.
- If the investigation confirms the parcel is lost, we ship a free replacement or issue a full refund, whichever you prefer. No return is needed.
- Orders with no tracking movement for 10 business days after dispatch are treated as lost automatically.

Changing the delivery address

The address can be changed free of charge within 2 hours of placing the order, from My Orders. After dispatch the address cannot be changed; the parcel can be refused at delivery and a refund issued once it returns to our warehouse.

Order cancellation

Orders can be cancelled free of charge until they are dispatched. Once dispatched, use the return process described in the Refund Policy.

Missing items and wrong items

If a parcel arrives with an item missing or the wrong item, report it within 7 days of delivery with a photo of the parcel and its label. We will send the correct item at no cost.
